Investment Strategy	<p>The Scheme has dual objectives of generating income and capital gains while attempting to manage the risk from the market. In order to achieve the twin objectives, the Scheme intends to follow a top-down and bottom-up investment strategy. The top-down process would lead to the asset-allocation between equities and fixed income and the bottom-up process would lead to construction of the portfolio using specific securities.</p> <p>The Scheme would invest both in equities and fixed income instruments. Allocation between the two asset classes will be done using a quantitative asset allocation methodology. This methodology will be the primary tool to manage the overall risk of the portfolio in such a way as to achieve the objective of managing risk. The quantitative tool has been simulated with a target of limiting the downside to 5% in a calendar year. Within equities and fixed income, the portfolio would be actively managed to optimize returns within the respective asset class.</p>	<p>The scheme seeks to provide superior risk adjusted returns through diversification across various asset classes such as equity, fixed income & gold that have historically shown low correlation with each other.</p>

4. BANK DETAILS

It is mandatory for investors to mention bank account details on the form as per directives issued by SEBI. Applications without this information are liable to be rejected. The Mutual Fund / AMC reserve the right to hold redemption proceeds in case requisite bank details are not submitted.

Option to register multiple bank accounts

The AMC / Mutual Fund have also provided a facility to investors to register multiple bank accounts. By registering multiple bank accounts, investors can use any of their registered bank accounts to receive redemption / dividend proceeds. Further, these account details will be used by the AMC / Mutual Fund / R&T for verification of instruments (like cheques/DDs/POs) received at the time of subscription / purchase applications to ensure that subscription payments are received only from one of the registered bank accounts. Payments from non-registered bank accounts (called third party payments) will not be accepted (except where permitted as per SEBI regulations). Investors are requested to avail of this facility by filling in the application form for registration of multiple bank accounts available at any of our ISCs / OPAs or on our website www.axismf.com.

Cheques submitted at the time of purchase should be from the beneficiary investors account or from an account mentioned in your Multiple Bank Accounts Registration form (except for minors for amounts less than Rs 50,000 and Corporates / non-individuals).

Demand drafts submitted at the time of subscription should be accompanied by a banker's certificate clearly stating the investor's name and PAN as well as mentioning that the demand draft has been issued by debiting the investor's own bank account. Pre-funded instruments issued by the bank against cash shall not be accepted for investments of Rs 50,000 or more. This pre-funded instrument should also be accompanied by a certificate from the banker giving the investor's name, address and PAN.

Payments made through RTGS/NEFT/NECS should be accompanied by a banker's certificate stating that the RTGS/NEFT/NECS payment has been made by debiting the investor's own bank account along with mention of the investor's name and PAN.

Third Party payments

When payment is made through instruments issued from a bank account other than that of the investor, the same is referred to as a Third Party payment.
